Clean Air Day 2024

As a school, we always look for ways to support, encourage and educate our pupils about healthy living and the importance of clean air. To support this we linked with ModeShift and yesterday hosted another incredibly successful National Clean Air Day. Throughout the day, the children were able to partake in:

- Crossing the road activities (age appropriate)
- A local walk
- Multi-skills
- Scooter skills
- Collaging in our empty carpark
- Dr Bike
- As well as classroom learning linked to the importance of cleaner air

Thank you to all our community for supporting this in any way you do.

Magic Breakfast were "wowed"

Last Friday we had the Magic Breakfast charity links leaders visit us in school. They asked us as they know that as a school our breakfast club operates and runs very well so they wanted to see it in action. Mrs Hunt received an email following the visit that said:

A very big thank you It was lovely to meet you and visit your wonderful school. You have a fantastic culture and we are very proud to be working alongside side you to support your children and community.

It was lovely to read and hear so thank you to all parents who support and use our club as they do.

IQM review 2024

This week, senior leaders met with our Inclusion Award accessor to review the progress we have made against our Inclusion Mark and Centre of Excellence. Our reviewer met with staff, pupils, parents and walked around our whole school to review the practice in place. This is what they said:

“ I just wanted to email to reiterate what a fantastic day I have had with you all. It really was an absolute pleasure to have been assigned to Hoyland Springwood and have had the opportunity to see such wonderful inclusive practice and speak with such passionate and enthusiastic leaders, staff, children and parents. Thank you for organising such a great timetable showcasing the opportunities your children and families can engage your fabulous children all have their needs met. Being in your school has further ignited my own passion and resolve to continue to fight for those who may not have a voice or feel their voice is unworthy of being heard. Thank you for everything you do for your school family. Your commitment, determination and impact is very much recognised and appreciated. “

I am so proud to inform you all that the whole school was seen in the incredible light it is and we continue to hold both awards heading for the Flagship recommendation for our whole school ethos and curriculum.
Well Done HSW!!
