IQM Visit

Recently the school had its IQM visit to review the Inclusion and Centre of Excellence awards we currently hold.

We are delighted to share that once again, we were recognised incredibly positively for the education which is provided for all our students and we are so proud to have retained both awards for another year.

A quote from the overview in the report states:

“ Pupils are at the heart of all decisions made, with the aim being that every pupil is afforded a quality, bespoke curriculum taught by expert staff who are not only skilled practitioners but compassionate, empathetic and sensitive to the needs of the community.”

I want to thank parents, children and staff that were involved in any way on the day itself but that is a wider thankyou to the whole school community for everything that everyone does every day as, without THIS WHOLE SCHOOL team, no successes would be had.

TOGETHER WE SHINE and couldn't be more true in this case.
